FEATURES

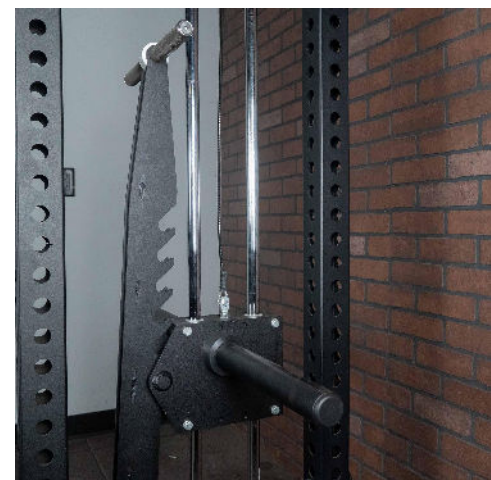

The Belt Squat/Lat Pulldown Combo piece is a great way to add functionality to your weight room allowing injured athletes to still load their lower body for squats, hip thrusts, or marches. All ATR units are made out of 3×3 tubing with 1" holes and 2" hole spacing. Low Pulley needs to be bolted down or the belt squat portion will not work.

High Pulley and Lat Bar

Low Pulley

Adjustable Stop for different height athletes
