The Step Up Plate/Ball Target attaches to any piece of 3×3 tubing with 1" or 5/8" holes. The Step Up Plate has 5 holes, the outside, and the center holes are 1" and the two holes adjacent to the center hole are 5/8". If you are using it as a Step Up you only need one pin but when using it as a ball target two pins are required to secure the plate.

## FEATURES

Attach with two pins to upright

plastic pieces for post protection

Attaches to spotter arm
